TO BE HELD IN CONJUNCTION WITH

HALLOWEEN TRUNK OR TREAT

SALEM LUTHERAN CHURCH, COLOMA

SATURDAY OCTOBER 22, 2022

WEIGH-IN STARTS 10:00 AM---RACING 11:00 AM

RACING STARTS AT 11:00 AM IN THE CHURCH PARKING LOT

BUILDING YOUR PUMPKIN RACER is simple, use two axles and four wheels to support your pumpkin according to the class rules below. The pumpkin can be hollowed out but must retain its shape. Decoration is encouraged! No entry fees!

There will be three race classes--- **STOCK**, **OPEN STOCK** AND **UNLIMITED**

Stock Class- Use Lion's Club Wheel and Axle Kits which are on sale for \$15 at:

Edward Jones Investments, Badt Drive, Coloma. Watervliet Fruit Exchange, Red Arrow Highway, Watervliet
Centsible Heating, Paw Paw Lake Rd, Coloma Coloma City Hall

The Open Stock class--- use your own wheels and axles.

For **BOTH** Stock classes, the total weight of the Racer, including axles, wheels and any decorations cannot exceed 20 pounds. The width cannot exceed 20 inches. The axles to which the wheels are attached must penetrate the pumpkin and support it. A solid base with affixed wheels is not permitted.

Unlimited Class---Pumpkins 20-50 pounds weight limits. Make it crazy and wild! The width of the wheel base cannot exceed 20 inches due to the limitations of the track. Otherwise, there are no real restrictions except to make it safe and fun!
